

**Job title:** Senior Artist  
**Job type:** Full time, employee  
**Industry:** Gaming  
**Years of Experience:** 5+

Novomatic Group of Companies is the largest gaming technology company in Europe expanding its business to North America. Novomatic is an integrated, global gaming company producing, distributing and operating high tech gaming equipment in well regulated markets around the world. Our US subsidiaries focus on the development and distribution of gaming equipment in the North American and Caribbean markets.

In order to strengthen our US team in our office in Mt. Prospect, Illinois, the newly created position of the **Senior Artist** is vacant.

## **JOB SUMMARY:**

The Senior Artist will be a key creative force within a small studio designing and implementing slot games. You will work hand-in-hand with designers, software engineers, and other artists from conception to release. You will be responsible for the creation of all visual elements of slot games, including symbols, backgrounds, characters, animations and more.

## **ESSENTIAL DUTIES AND RESPONSIBILITIES:**

- Be a dynamic and creative 2D artist capable of producing high quality art and animation in a variety of styles
- Work in small, cross-functional, teams to create the best gaming experiences possible
- Development of concepts, mood, and theming through sketches and storyboarding
- Willing to learn and work within deadlines
- Define and follow best practices while keeping a keen eye for detail
- Maintain impeccable tool skills with continuous improvement and growth
- Create within a process workflow that delivers assets meeting the technical requirements
- Develop and maintain a professional image in representing Novomatic Americas in both personal interfaces and those communicated via the phone and/or email
- Mentor junior artists within the studio

## **SKILLS/QUALIFICATIONS:**

- 5+years of experience as an artist in the video or gaming industries
- Associate's or Bachelor's Degree in Art or related field
- Advanced expertise using Adobe Creative Cloud Suite – Photoshop, Illustrator, After Effects
- Superb character design, animation
- Strong at layout, composition, color theory, typography, and logo design
- Solid traditional drawing skills
- Thorough understanding of UI and UX design practices
- Media management and organization
- Strong oral and written communication skills
- Gaming experience is a plus

The position is vacant as of now. Compensation package commensurate with experience - Please add your compensation expectations together with your resume and portfolio.

Novomatic Americas Sales, LLC is an Equal Opportunity Employer and does not discriminate against applicants for employment because of race, color, sex, age, religion, sexual orientation, gender identity and/or expression, status as a veteran, and basis of disability or any other federal, state or local protected class.
