

Job title: SENIOR SOFTWARE ENGINEER

Job type: Full time, employee

Industry: Gaming

Years of Experience: 5+

The Novomatic Group of Companies - the largest gaming technology company in Europe - is expanding into North America. Novomatic is a vertically-integrated global gaming company producing, distributing, and operating high tech gaming equipment in well-regulated markets around the world. Our US subsidiaries focus on the development and distribution of gaming equipment in the North American and Caribbean markets.

Our US team has an immediate opening for a

SENIOR SOFTWARE ENGINEER

in our office in Mt. Prospect, Illinois.

JOB SUMMARY:

The Senior Software Engineer will be the technical force within a small studio designing and implementing slot games. You will work closely with designers, artists, mathematicians, and testers from a game's conception to release and beyond. You will build bulletproof software upon one of the world's leading gaming platforms.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Be a dynamic and creative software developer capable of tackling the most complex projects
- Work in small cross-functional teams to create the best gaming experiences possible
- Lead two or three-person development teams, allocating tasks as necessary
- Follow best practices while keeping a keen eye for detail
- Produce clear, legible code and participate in peer review
- Develop and maintain a professional image in representing Novomatic Americas Sales in all interactions

SKILLS/QUALIFICATIONS:

- Bachelor's Degree in Computer Science or equivalent
- C++ (CXX11 or CXX14 preferred)
- Python
- Boost Libraries
- MS Windows development
- OpenGL or similar graphics programming
- Object Oriented Design
- Agile Development (ex: Scrum, Kanban)
- Source Control (Preferably Subversion)
- Adobe Photoshop
- Gaming experience is a plus

Compensation will be commensurate with experience.

Novomatic Americas Sales, LLC is an Equal Opportunity Employer and does not discriminate against applicants for employment because of race, color, sex, age, religion, sexual orientation, gender identity and/or expression, status as a veteran, and basis of disability or any other federal, state or local protected class.

Candidates are subject to pre-employment drug screens and background checks. Employees must meet all requirements of applicable regulatory agencies.

Please include your compensation expectations with your resume.
